

A private college Jewish preparatory high school in the Metro Detroit area is looking for a candidate to teach chemistry. Responsibilities include teaching AP Chemistry, Honors Chemistry, and General Chemistry courses. Resources include a full chemistry lab, lab equipment, and curriculum for each level of chemistry.

The ideal candidate will create a challenging environment, provide a rich hands-on classroom experiences, and develop positive relationships with their students. The ability to adhere to deadlines, remain organized, and function as part of a team is very important. If you are interested in applying, send your resume and supplemental materials to wbschool@gmail.com

Thanks again,

Amit Sharma Science Department Chair
