			<p>Elementary, Middle and High School No Teaching Experience Required No Experience with kids Required Requirements Bachelor's Degree or higher Native English Speaker Clear Criminal Background Benefits* 1 month salary as a bonus at the end of your contract* Single Furnished Housing Provided* Airfare: 1.3 million won stipend reimbursed for each flight in the form of a transportation stipend* Tax relief for the first 2 years of teaching (except Canadians)* Local Medical Insurance Provided (50%)* Up to 4 weeks (20 days) Paid Vacation Details All over Korea: Busan, Incheon, Daegu, Daejeon, Ulsan, Jeju & more EPIK- the English Program In Korea is one of the biggest employers of teachers in Korea. They hire for basically all the public schools in Korea (except Gyeonggi province). They've got a great program and super benefits. You will be placed in a particular school within the province of preference during the orientation period according to your abilities and interests. EPIK hires for almost all provinces and cities in Korea (popular areas will fill quickly): Seoul, Busan, Daegu, Incheon, Gwangju, Daejeon, Ulsan, Gangwon, Chungbuk, Chungnam, Jeonnam, Gyeongbuk, Gyeongnam, Jeju Many of the towns and mid-sized cities in these provinces are deeply rooted with unique traditional culture and history providing an immersion in the Korean experience. Air quality is cleaner in rural areas than in most big cities across South Korea, plus the cost of living is generally lower. These are excellent ESL teaching opportunities for teachers who are looking to spread their wings and gain invaluable and transferable teaching experience in public schools in Korea. For first-time teachers, whether you have never taught abroad or never taught at all, these jobs represent an amazing opportunity to gain classroom experience. Preference is given to those with experience but if you are a sincere, motivated person who loves to work with young kids, this could be a perfect opportunity for you. Our North American/Korean partnership covers all the bases, ensuring for a smooth, and stress-free transition into a new culture. Our services are offered free of charge and can be indispensable to anyone interested in securing a teaching job in South Korea. We are presently filling positions to begin with the next two months, although we place teachers every month of the year. We offer both private and public school positions. Our employers consist of the S.M.O.E. (Seoul Metropolitan Office of Education), as well as the SLP and Kid's Club chains of private schools. WHAT MAKES US UNIQUE: - We provide free consultation sessions for all applicants- As ex-teachers, we represent the interests of our applicants. We take the time to find the proper fit according to our applicants' preferences. This allows our teachers to enjoy a year of adventure and prosperity, while providing them with a sense of security and piece of mind. We like our applicants to feel confident and excited about their job prospects by providing them with all the support and information they require prior to accepting a position.- Our service is designed to transcend the language and cultural barriers to ensure that there is no miscommunication between our applicants and our client-schools.- We support our applicants from the day they apply to the end of their contract.CONTRACT DETAILS:- Contract: 1 year (minimum) - 22-30 teaching hrs per week (Mon ~Fri) - Salary range: 2.1 m/won to 2.8 m/won/month	If you are interested in applying please send us your resume and covering letter and we will contact for you for a consultation session.The Recruitment TeamKorjob Canada RecruitingEmail: recruit@korjobcanada.comTel: 604-733-2850Web: http://korjobcanada.com	Teaching/Edu	Full Time	12/16/2009

Lansing School District	RTI COACH 9739 -- Math	9739	<p>The RTI coach will spend the majority of time working in classrooms with teachers (e.g. modeling, observing, co-teaching). The coach will play a strong role in analysis and utilization of student achievement data to impact instructional decision-making. The focus of the coach's work is to help teachers learn to use data for instructional planning that will have a positive effect on student achievement. The coach may facilitate teacher study groups in which they analyze student work and lesson plans and plan for the enhancement of instructional strategies. The coach's analysis of student work and teaching and learning data will inform what occurs during coaching sessions with individual teachers and in the teacher study groups. The RTI coach's role is non-supervisory. The role of a coach is separate and apart from the evaluative role of the principal or supervisor of the teacher.</p> <p>Specific Tasks and Responsibilities:</p> <ol style="list-style-type: none"> 1. Participating all required coach professional development. The coach is charged with acquiring the knowledge, skills, technology skills and instructional strategies necessary to effectively impact the instructional practices of the teachers that are coached. 2. The coach must remain knowledgeable about current and past research in the specific content area and other pedagogies relevant to the coaching role. 3. The coach must develop deep content and pedagogical knowledge in the evidence-based intervention in use. 4. The coach identifies school teaching and learning needs, barriers and weaknesses by analyzing student data, and organizing and implementing problem-solving actions with teachers. 5. The coach facilitates school-based professional development, working with teachers (in teams or individually) to refine their knowledge and skills. Professional development could include, but not be limited to, in-class coaching, observing, modeling of instructional strategies, guiding teachers in 	2009www.lansingschools.net	<p>The Lansing School District accepts on-line applications only. 			<p>modeling of instructional strategies, guiding teachers in looking at student work, developing lesson plans with teachers based on student needs, supporting data analysis, supporting the integration of technology, co-planning with teachers, etc.6. The coach monitors instructional effectiveness and student progress using tools and strategies gained through professional development.7. The coach builds and maintains confidential relationships with teachers. The conversations and interactions that the coach has with teachers must always remain confidential so that a high level of trust is created and maintained between the teacher and coach. Exceptions to this include imminent physical or psychological danger to students.</p>	<p>assigned to a specific job Number will be considered; a general application does not satisfy the application protocol.
