

Introduction to Educational Administration

EDB 505 - (3 Credits)

Class Dates: Sept 14th-Dec. 23rd
Monday 6:10-9:00pm

Class will meet:
Fairlane Center South 255

This exciting course is open to anyone who is interested in administration in an educational setting.

Course Goals:

- Provide an overview of educational administration
- Cover basic issues facing school administrators
- Provide an introduction to the role of the school leader in contemporary educational programs and services.
- Examine opportunities in school administration and begin to develop a knowledge base for leadership in a variety of educational settings.
