

National Association of State Directors of Teacher Education and Certification

2005 – 2010 Agreement MICHIGAN As of August 30, 2006

- The NASDTEC Interstate Agreement facilitates the movement of educators among the states and other jurisdictions that are members of NASDTEC and have signed the Agreement.
- It is not necessarily "full" reciprocity. The educator may have to complete additional requirements, such as coursework, assessments, or classroom experience, before receiving a full professional certificate in the new state.
