

Michigan Department of Education
Professional Preparation and Development Unit Update
October 6, 2006

Specialty Preparation Standards and Endorsement Changes

(Bonnie Rockafellow, Steve Stegink, Sue Wittick)

- A revised proposal for elementary program standards is posted on the web, but the response period has ended. See http://www.michigan.gov/mde/0,1607,7-140-6530_5683_6368-33926--,00.html Elementary committee members will be reviewing the responses and modifying their recommendation, as needed. (Bonnie)
- A revised proposal for the Revised Entry-Level Standards for Michigan Teachers is also posted on the web and the response period for those standards has also ended. See http://www.michigan.gov/mde/0,1607,7-140-6530_5683_6368-33926--,00.html the ELSMT committee members will be reviewing the responses and modifying their recommendation, as needed. (Bonnie)
- Standards development continues for Guidance and Counseling programs. Note that the name of this endorsement will likely be changed to School Counselor in order to match legislation and the Revised “Administrative Rules for School Counselors.” (Steve)
- Work is moving forward on developing the standards for teaching Arabic as a World Language. MDE has also had significant interest from three institutions for offering preparation programs for teachers of Chinese as a World language. Bonnie currently has one Chinese proposal and one Arabic proposal to review as experimental programs.
- A new endorsement for previously-certified teachers to prepare for teaching in an online environment has been proposed. Sue will be assembling a committee to draft standards/requirements yet this fall.
- As a result of the new High School Merit Curriculum (see <http://www.michigan.gov/mde/0,1607,7-140-38924---,00.html>), we will consider again developing an endorsement in theatre. Anyone interested in serving on a standards development committee should contact Bonnie.
- Following approval of the elementary program standards, we will initiate discussion of an additional endorsement(s) in the arts for previously-certified elementary teachers. (Bonnie)
- On July 20, 2006 a letter Flora Jenkins sent a letter notifying institutions of the requirement for a reading course for all provisionally certified teachers. Public Act 118 requires a 3 credit course of study for all provisionally certified teachers. This law goes into effect July 1, 2007. (Bonnie)
- All required reading courses for initial certification of teachers and the new required reading course for provisionally certified teachers will be reviewed by MDE in compliance to the agreements within the Reading First Grant. Notification of this process will be arriving at your institutions during October. Submission of the review documentation is scheduled for February 17, 2007. (Bonnie)

Initial and Periodic Specialty Program Approval (Bonnie Rockafellow, Steve Stegink, Sue Wittick)

- Very few specialty programs still have pending approval from the 2000-2005 Periodic Review Cycle. We appreciate the dedication of content specialists who have reviewed the programs and the cooperation from institutions to address the outstanding concerns.
- All World Language, Bilingual and ESL programs must submit their documentation for review against new standards to our office by December 1, 2006. Each institution must provide at least one reviewer for each program that it submits. The review conference will take place in Lansing on February 12, 2007. (Bonnie)
- Music programs were all reviewed Thursday October 5, 2006 and we appreciated the effort made by every institution to provide the expert reviewers for the Music Education JQ programs. (Bonnie)
- A teacher cadet teacher preparation workshop will be held on October 23rd in Lansing. (Sue)

- The Superintendent of Public Instruction has convened a Teacher Preparation Policy Study Group that will be meeting monthly to formulate recommendations related to Periodic Review and other aspects of teacher preparation. The group is planning to issue a detailed report to the Superintendent in April 2007.
- Approved specialty programs for each institution are posted on the web: <https://mdoe.state.mi.us/proprep/>

Applications for Approval of Principal Preparation Programs (Catherine Smith, Sue Wittick)

- In late August, legislation establishing voluntary administrator certification was signed by the governor and it is now law and represented in Public Act 335. See <http://www.legislature.mi.gov/documents/2005-2006/publicact/htm/2006-PA-0335.htm>
- Catherine Smith is working with an Administrator referent group on the development of standards/requirements for central office leaders as well as for possible certificate endorsements.
- Sue Wittick will field questions about the approval of principal preparation programs until a new OPPS consultant has been hired.
- Frank Ciloski will answer questions about reinstatement of previously issued certificates. (ciloskif@michigan.gov)
- For a list of State approved principal preparation programs, see http://www.michigan.gov/mde/0,1607,7-140-6530_5683-116762--,00.html

Michigan Test for Teacher Certification (Steve Stegink)

- New and updated tests for music education (JQ); dance (MH); physical science (DP); and business, management, marketing and technology (GQ) will begin administration on October 14, 2006.
- Standard setting conferences will be held by National Evaluation Systems on November 1, 2006, for the tests in Music Education), Physical Science, and Business, Management, Marketing, and Technology. The standard setting conference for dance and marketing education will be held on November 2, 2006.
- Plans are underway for developing new test objectives for emotional impairment (SE), Autism (SV), German, Chinese, and English as a Second Language (NS). It is expected that the objective review conference for those new tests will occur in November/December 2006.
- Consideration will be given to possibly developing new objectives for the MTTC Basic Skills Math test, especially for alignment with the new high school graduation requirements.

Professional Development Strategic Plan (Catherine Smith)

- Three external consultants have been contracted to begin implementation of sections of the plan. Contact Catherine for further information.

Vocational Teacher Preparation (Sue Wittick)

- A new application form and review process has been developed and posted on the web in July.
- All teacher preparation institutions that wish to recommend candidates for any vocational endorsements on provisional or professional teaching certificates or for Interim Occupational Certificates were asked to apply for program approval by October 1, 2006.
- MDE and DLEG staff plan to review the applications before the end of October.

NCATE State Partnership Agreement (Sue Wittick)

- Based on recommendations from a meeting held with representatives from Michigan's NCATE accredited institutions, NCATE, NCSS, and MDE in June 2006, a new NCATE State Partnership Agreement was submitted to NCATE in September, 2006. This agreement requires that all Michigan's NCATE accredited institutions will be required to submit specialty programs to SPAs, but no sooner than two years following full state approval. The agreement will be reviewed by NCATE's State Partnership Board in late October and, if approved, would become effective in January 2007.
- The State will continue to work with NCATE so that the SPAs will understand expectations for reviewing programs with consideration for Michigan certification structure, the MTTC, and Michigan standards for specialty programs. Please contact Sue if you would like to help with that effort.

DATA survey for Title II Performance Score Reporting (Catherine Smith)

- On June 13, 2006, the State Board of Education approved criteria for identifying teacher preparation performance scores in response to the requirements of the higher Education Act
- Effective fall, 2006, all Michigan teacher preparation institutions are required to participate in two surveys:
 - A survey of students completing student teaching during the 2006-2007 academic year
 - A survey of supervisors of those student teachers.
- For both surveys, institutional scores will depend upon reported efficacy/readiness of new teachers and upon the response rate the institution achieves in this reporting.
- All institutions are asked to provide Dana Utterback with name and contact information for the person who will receive information for viewing the survey questions and for facilitating institutional participation in both surveys for the 2006-2007 academic year.
